

Introducing LA Animal Services Senior-4-Senior Program

If you are 55 years or older, you can adopt any sterilized, healthy shelter dog/cat that is 5 years and older for free!

- The participant can adopt a dog/cat from any one of our six Animal Service Centers.
- The participant assumes all care and responsibility for the dog/cat after the adoption has been finalized.
- There are many senior dogs/cats that are simply overlooked who will make a wonderful companion. "Seniors 4 Seniors" will help place dogs/cats that may otherwise have to be euthanized with a new owner so they can keep each other company.

Please contact us for more information on the program or to find your nearest LA City Animal Service Center.
